

CHAPTER 10

LEARNING OBJECTIVES

Global Health 101, Fourth Edition

Richard Skolnik, MPA

By the end of this chapter, the reader will be able to do the following:

Describe the importance of women's health to individuals, families, and communities

Describe the determinants of women's health and how they vary in different settings

Discuss the burden of disease for women worldwide, with a focus on women in low- and middle-income countries

Describe critical challenges in improving women's health in low- and middle-income countries

Describe some success stories in improving women's health and the lessons that can be applied to other women's health efforts
